

## Ensuring Trustworthy U.S. Elections Cohort 6 – February / March / April 2024 Session 1

Please reflect on the following questions and be ready to summarize with the group:

- **Why** did I decide to participate in this Building Bridges cohort?
- What **Values** do I hold that shape my thinking about Trustworthy Elections?
- What are the primary **Concerns** that I have about the Trustworthiness of Elections?
- What are my **Desired Outcomes**? What would Elections look like 3 years from today?

### Our Goals

- Enrich (depth and breadth) your understanding of the selected issue – both your view and especially other views, learning how each other sees and solves the problem
- Identify and build common ground and points of agreement on our selected issue, if possible
- To learn somethings that might be helpful to others in our community and the nation
- Motivate participant action post cohort, if it fits

### Our Ground Rules

- We are here to understand & explain, not convince
- Speak for ourselves
- Stick to the activity
- Respectful communication (listening and speaking)
- Confidentiality
